### **LISTING OF CLAIMS**

1.-11. (Canceled).

12. (Currently amended) A kit for detecting an AAV antigen comprising a monoclonal antibody directed to an AAV type 2 capsid or a protein thereof, capable of detecting said AAV type 2 capsid or a protein thereof in ELISA assay, immunofluorescence or Western blotting, in a suitable container.

13. (Previously presented) The kit of Claim 12, wherein said monoclonal antibody is A1 as deposited with DSMZ under deposit number ACC2195, A20 as deposited with DSMZ under deposit number ACC2194, A69 as deposited with DSMZ under deposit number ACC2196 or B1 as deposited with DSMZ under deposit number ACC2197.

14.-16. (Canceled).

17. (Currently amended) An isolated monoclonal antibody directed against an AAV type 2 capsid or a protein thereof, capable of detecting said AAV type 2 capsid or a protein thereof in ELISA assay, immunofluorescence or Western blotting.

18. (Previously presented) The antibody of Claim 17, wherein said antibody is A1 as deposited with DSMZ under deposit number ACC2195.

USSN: 08/637,752  
Filing Date: July 20, 2001

19. (Previously presented) The antibody of Claim 17, wherein said antibody is A20 as deposited with DSMZ under deposit number ACC2194.

20. (Previously presented) The antibody of Claim 17, wherein said antibody is A69 as deposited with DSMZ under deposit number ACC2196.

21. (Previously presented) The antibody of Claim 17, wherein said antibody is B1 as deposited with DSMZ under deposit number ACC2197.
